94 Points

Blended of 76% Shiraz and 24% Cabernet Sauvignon, the 2009 Anaperenna Shiraz Cabernet presents a very deep purple-black color and pronounced aromas of black cherries and blackberries with an undercurrent of coffee, aniseed, damp loam, chocolate, cloves and menthol plus a hint of cedar. Very crisp, full and rich on the palate, it has firm very finely grained tannins, commendable concentration and a long bramble fruit finish. Drink it now to 2022+.

Strong red-purple; a fragrant bouquet with blackberry, plum and blackcurrant swirling around each other; the palate is no more than medium bodied, but is intense and long, sustained by fine tannins on the very long finish. Shiraz/Cabernet Sauvignon. Cork. 14.5% alc. To 2024

Australian Wine Companion 2012 Edition - James Halliday

2009 Bishop Shiraz is a triumph and it would have been the only wine to make the cut this year were it not for a miraculous return to form for Anaperenna. Shiraz-dominant but still parading an incredible squadron of Cabernet cassis flavours, this great wine harks back to an era when it was known as Godolphin - and it picked up the Trophy for The Great Australian Red. The 2009 gained a near perfect score in my notes and I have no doubt that it will in yours, too.

Bright and focused, exhibiting dark berry, cherry and tobacco flavours that come together seamlessly on the lean, muscular finish. Shiraz and Cabernet Sauvignon. Best from 2012 through 2017.

One of the harder wine names to spell, but one with lovely packaging. It's a blend of 75% Shiraz and Cabernet Sauvignon. Opened up pretty chappy, grassy and stinky but built up rich and full with black fruit and juicy dark cherry, chocolate, liquorice and dark spices. It's plump and full, but not over-done, with plenty of presence and lovely fine grained tannin. I have some reservations about the acidity - it's fresh all right - but looks a little too stingy and twangy at present, though I'm *fairly* certain it will bed down into the wine with some bottle age. A pup with potential
