2010 Anaperenna ALL CLASS

There is something very sexy about this wine. The name? The label? The deep, rich dark fruits and almost floral nose? Either way, it's like being slowly seduced. Exotic dark fruits, complex, layered earth and spice aromas, hints of chocolate and coffee – this wine has it all. The palate is sublime, smooth, deep and multi-layered. The fruit is rich, and waves of flavour linger for an impressive finish. This is class.

Jeff Collerson – Pick of the Week

Among four benchmark reds from the Barossa's Ben Glaetzer. A blend of shiraz and cabernet sauvignon, this has an opulent nose with concentrated sweet and spicy flavours and some great flavour persistence.

94 POINTS - EXCELLENT

The blending of two Australian classics such as Shiraz and Cabernet in this, show off how well we can get the basics so right. Indeed I always say it you can do the basics really really well people will come. Ben Glaetzer has done really really well here. This Shiraz dominant blend capitalises on the blue and black fruits in it with the purity of spicy blackberries as well as blackcurrants really coming through beautifully to entice you in. The Cabernet element works a treat in providing a backbone to the solid fruits, cutting in nicely to form an attractive shapely figure that reflects all the way to the end of the palate. The tannin structure is fine and grainy and augurs for long haul yet. The oak is there making its presence felt, not over the top but there to marry the fruit into a long future, a prosperous one I think at that. Try this with aged Angus beef char grilled.

Drink to 2020 plus.

94/100 – Excellent.

15.1% alcohol. Shiraz/Cabernet Sauvignon. Beautifully packaged. Powerful, rich, intense and spicy with well defined sweet blackberry and blackcurrant fruit. Massive concentration: this is richly textured and intense, combining power but also nice freshness, with good acidity and firm tannins. Fantastic aromatics and lovely purity of fruit – this is how to do the blockbuster style.

94/100
