Broad and generous, with a spicy edge to the cherry and dried cranberry flavors, rolling smoothly, wrapped in fine tannins, through a long, expressive finish. Drink now through 2018.

Harvey Steiman, The Wine Spectator, USA, 25th January 2012

Jamie Goode, wineanorak.com, A couple from Ben Glaetzer

15.1% alcohol. The backbone of this wine is dry grown Shiraz vineyards in the Ebenezer district of the Barossa, and it's aged in French and American oak. Very deep coloured, with a sweet nose of spicy blackberry fruit with some cherry freshness and sweet vanilla oak. Rich, spicy and bold on the palate with well defined fruit. It's rich yet well balanced with nice spicy oak well integrated with the deep fruit. Great example of its style, retaining balance. 92/100

The distinctive labels of the Glaetzer portfolio hold special significance when you view this stunning collection of wines as a family affair. Bishop Shiraz, totally opaque black purple colour with very deep black purple hue. The nose displays aromas of ripe blackberry, liquorice and confectionary followed by some subtle vanillin oak and spice end notes. The palate is full bodied with an explosive flavour profile of rich ripe blackberry and liquorice followed by some confectionary and spice with a peppery back palate. Very fine grained, slightly dryish but balanced tannins provide the wine with excellent structure. Superb depth with long persistent blackberry, liquorice & blackpepper aftertaste.
