BAROSSA VALLEY

## **Amon Ra Shiraz, Barossa Valley 2002**

### **Now Sold Out**

As the King of all Gods, Amon-Ra is considered the most powerful figure in Egyptian mythology. The temple of Amon-Ra is recorded as the birthplace of commercial winemaking, having the first ever large scale vineyard grown specifically to make wine for the citizens of the temple.

The 2002 vintage in the Barossa was a spectacular year - wines of great fruit richness and intensity.

Dense purple colour, with aromas of raspberry, plum and perfumed fruit.

A rich and powerful palate that is underpinned by fine-grained tannins which will ensure great longevity if cellared well.
